Director
Intelligence Community Staff
Washington, D.C. 20505

DCI/ICS 82-4334
29 December 1982

MEMORANDUM FOR: Dr. G. A. Keyworth
Science Advisor to the President

SUBJECT: Supercomputer Research and Development

REFERENCE: Your letter of December 13, 1982, to William J. Casey

On behalf of Mr. Casey, I am pleased to designate [redacted] Director, Office of Planning, Intelligence Community Staff, as the Intelligence Community's representative to your panel which will examine Federal policies affecting supercomputer research and development. [redacted] will contact your Assistant Director for General Science, Mr. Pewitt. Mr. [redacted] is prepared to draw upon the Community's Information Handling Committee and Intelligence Research and Development Council, as well as individual agencies within the Community, for support to this important effort.

[redacted]
